RECOMMENDED CASH ACQUISITION

of

Bluefield Solar Income Fund Limited (“BSIF”)

by

Drax Smart Generation Holdco Limited (“Drax Bidco”)

a wholly-owned subsidiary of Drax Group plc (“Drax”)

to be implemented by means of a court-sanctioned scheme of arrangement under Part VIII of the Companies (Guernsey) Law, 2008 (as amended)

Summary

- The boards of directors of each of BSIF and Drax Bidco are pleased to announce that they have reached agreement on the terms of a recommended all cash acquisition by Drax Bidco of the entire issued share capital of BSIF (the “**Acquisition**”). The Acquisition is to be effected by means of a court-sanctioned scheme of arrangement under Part VIII of the Companies Law.
- Under the terms of the Acquisition, BSIF Shareholders will be entitled to receive 92.574 pence in cash per BSIF Share (the “**Cash Consideration**”). In addition, BSIF Shareholders will be entitled to keep the second interim dividend of 2.25 pence per BSIF Share payable to qualifying BSIF Shareholders on or around 15 June 2026 (the “**Permitted Dividend**”). Accordingly, BSIF Shareholders (where they qualify for the Permitted Dividend) will be entitled to receive a total value of 94.824 pence per BSIF Share.
- The Cash Consideration values the entire issued share capital of BSIF at approximately £548 million, and represents:
 - a premium of approximately 28 per cent. to the Closing Price of 72.20 pence per BSIF Share on 4 November 2025 (being the last Business Day prior to the commencement of the Offer Period); and
 - a premium of approximately 19 per cent. to the one-month volume weighted average price of 78.06 pence per BSIF Share on 4 November 2025 (being the last Business Day prior to the commencement of the Offer Period).
- Including the Permitted Dividend, the terms of the Acquisition value the entire issued share capital of BSIF at approximately £561 million, and represent:

- a premium of approximately 31 per cent. to the Closing Price of 72.20 pence per BSIF Share on 4 November 2025 (being the last Business Day prior to the commencement of the Offer Period);
 - a premium of approximately 21 per cent. to the one-month volume weighted average price of 78.06 pence per BSIF Share on 4 November 2025 (being the last Business Day prior to the commencement of the Offer Period); and
 - a discount of approximately 9 per cent. to the unaudited 31 March 2026 net asset value of 104.52 pence per BSIF Share announced by BSIF on 14 May 2026.
- The terms of the Acquisition represent an enterprise value for BSIF of approximately £1,082 million.

Background to and reasons for the Acquisition

- Drax believes the Acquisition of BSIF offers an attractive opportunity to grow its UK renewable generation business whilst being highly complementary to the Wider Drax Group's existing operations and FlexGen portfolio. The Acquisition offers Drax direct access into a c.0.9GW renewable portfolio, comprised of operating and under construction solar and wind assets, plus a >1GW (2.9GW gross capacity) development pipeline to be constructed across the next decade. These assets can complement the Wider Drax Group's existing portfolio of c.2.2GW of FlexGen assets and developments and 2.6GW of biomass, creating a broader base of UK generation assets and associated earnings.
- The Acquisition aligns with the Wider Drax Group's strategic and capital allocation priorities to allocate up to £2 billion of incremental investment (between 2025 and 2031), primarily in flexible and renewable energy to create value and growth in the short, medium and long-term, and to support delivery of the UK's objectives of energy security, affordability, and decarbonisation. Drax believes that the Acquisition is underpinned by strong cash generation, a disciplined approach to capital allocation, and attractive returns for Drax shareholders.
- BSIF, a publicly listed investment company which operates a portfolio of UK based renewable energy infrastructure assets (including photovoltaic plants, wind farms and small-scale wind turbines), supports Drax's core UK generation focus and, as an acquisition, represents a compelling opportunity to add operating assets with predominantly contracted cash flows, in addition to under construction and development assets to the Wider Drax Group's existing portfolio, with a focus in particular on the following key benefits:
 - Significant expansion of the Wider Drax Group's renewable generation capabilities;
 - Optimising Drax's generation mix, complementing FlexGen assets and biomass with solar and wind generation;
 - For the financial year ended 30 June 2025, BSIF generated underlying earnings of c.£95 million, EBITDA of c.£130 million and operating free cash flow of c.£118 million. BSIF will provide an opportunity to grow Drax's EBITDA from renewables, offering greater predictability and visibility of cash flows from a large operational portfolio that reduces the Wider Drax Group's earnings risk from grid connection delays. With an operational portfolio underpinned by long-term investment schemes and certificates, BSIF maintains a highly contracted revenue base, with 57 per cent.

of revenue generated from FiT, ROCs, CfDs and REGOs, and the remaining 43 per cent. derived from PPAs in the six months to 31 December 2025;

- Combining BSIF's portfolio with Drax's existing flexible generation assets, alongside Drax's marketing and trading capabilities, will create a broader renewables platform. This could enable Drax to improve revenues from renewable certificate trading, improve routes-to-market, and make better use of the Wider Drax Group's trading platform. It could also allow the combined portfolio to be dispatched more efficiently on a 24/7 basis, driving optimisation and market access cost savings;
- Provides a significant development opportunity, allowing Drax to continue to sustainably increase the scale of solar and BESS capacity. As at 31 December 2025, 545MWs of BSIF's solar development portfolio is underpinned by long-term 15-to-20 year CfD contracts, secured in Allocation Rounds 4, 5, 6 and 7;
- Offering the potential to unlock significant synergies across the Wider Drax Group's trading, operations and energy sales activities in addition to potential cost savings associated with listing costs and lower trading costs by utilising Drax's existing route-to-market platforms (including providing a route-to-market for over 2,000 embedded generators) and trading operations; and
- Accelerating Drax's contribution to the UK's national climate targets and ambitions for a clean power system and net zero objectives.

Drax expects that return on invested capital from the Acquisition will significantly exceed the Wider Drax Group's target weighted average cost of capital.

Recommendation

- The BSIF Directors, who have been so advised by Deutsche Numis and Rothschild & Co as to the financial terms of the Acquisition, consider the terms of the Acquisition to be fair and reasonable. In providing their advice to the BSIF Directors, Deutsche Numis and Rothschild & Co have taken into account the commercial assessments of the BSIF Directors. Deutsche Numis and Rothschild & Co are providing independent financial advice to the BSIF Directors for the purposes of Rule 3 of the Code.
- Accordingly, the BSIF Directors unanimously intend to recommend that BSIF Shareholders vote in favour of the Scheme at the Court Meeting and the resolutions to be proposed at the General Meeting, as the BSIF Directors who hold BSIF Shares have irrevocably undertaken to do in respect of their own beneficial holdings of 176,800 BSIF Shares, representing, in aggregate, approximately 0.03 per cent. of the issued share capital of BSIF on 29 May 2026 (being the latest practicable date prior to this Announcement).
- Further details of these irrevocable undertakings are set out in Appendix III to this Announcement.

Information on Drax Bidco and Drax

- Drax is a renewable energy company engaged in renewable power generation, the production of sustainable biomass and the sale of renewable electricity to businesses.
- Drax operates a generation portfolio of sustainable biomass (c.2.6GW), hydro-electric and pumped storage hydro assets (c.560MW) in England and Scotland. At Drax's Cruachan Power Station, a project which will add 40MW of additional capacity is progressing. Drax is constructing three open cycle gas turbine ("OCGT") assets, two in England and one in Wales

which, when commissioned, will provide capacity of c.900MW in aggregate. Drax is also developing a pipeline of battery energy storage system (“**BESS**”) investment opportunities comprising physical assets and capabilities to optimise third-party assets with the provision of route-to-market, floor and tolling structures. In October 2025, Drax agreed to acquire three BESS projects across Scotland and England from Apatura Limited which, when fully commissioned, will provide capacity of c.260MW in aggregate. The Wider Drax Group also has in place agreements for 450MW of tolling contracts, comprising 250MW from a 10-year tolling agreement with West Burton C Limited, a company owned by Fidra Energy, entered into in January 2026, and 200MW from a 15-year tolling agreement with Zenobē Coalburn Limited, entered into in February 2026.

- In March 2026, Drax completed the acquisition of Flexitricity Limited, a UK-based optimiser of flexible energy assets, with a scalable platform expected to support the Wider Drax Group’s ambition to develop a GW scale pipeline of BESS opportunities.
- The Wider Drax Group continues to evaluate opportunities to maximise value from the Drax Power Station site, including the potential for a c.100MW data centre, as well as other generation sources.
- Drax’s Energy Solutions business sells renewable electricity to industrial and commercial customers in the UK.
- The Wider Drax Group also operates a biomass pellet production business with 14 operational sites for a combination of own-use and third-party sales. As at 31 December 2025, the Wider Drax Group employed over 2,900 people in the UK, US, Canada and Japan. The Wider Drax Group reported total revenue of £5,391 million and Adjusted EBITDA of c.£947 million in the financial year ended 31 December 2025.
- Drax Bidco is a wholly-owned subsidiary undertaking of Drax. It owns the UK generation portfolio of Drax, being Drax Power Station, the hydro-electric and pumped storage hydro assets, the three OCGT assets and the three BESS projects under development acquired from Apatura Limited.

Information on BSIF

- BSIF was established in 2013 as the first UK-listed investment company focused primarily on UK solar energy infrastructure. At the time of its IPO, there was no listed vehicle dedicated to this sector and BSIF was therefore a pioneer in creating a new asset class within the UK investment company landscape.
- BSIF has grown into a scaled and established participant in the UK renewable energy market, building a high-quality portfolio of operational assets alongside a substantial proprietary development pipeline. This growth has been underpinned by the experience, stability and disciplined investment approach of its investment adviser, Bluefield, whose management team has been central to sourcing, developing and operating BSIF’s assets.
- As at 31 December 2025, BSIF had total assets of £639 million.
- As at 31 December 2025, BSIF owned an operational solar portfolio of 121 photovoltaic plants (consisting of 79 large scale sites, 39 micro sites and 3 roof top sites), 6 wind farms and 109 small scale UK onshore wind turbines, all 100 per cent. owned by BSIF, with a total capacity of 748.7MW. BSIF also has a 25 per cent. stake in a joint venture portfolio of UK solar assets in partnership with GLIL Infrastructure, who own the remaining 75 per cent. The total capacity of the joint venture portfolio is 412.1MW. BSIF’s total operating capacity was therefore

851.8MW as at 31 December 2025, composed of 793.5MW of solar and 58.3MW of onshore wind.

- In addition to the operational portfolio, BSIF benefits from its own proprietary development pipeline. As at 31 December 2025, this consisted of 946MW of solar projects and 1,915MW of BESS projects; 25MW of the pipeline was under construction, 1,204MW was fully consented, 47MW was in planning and 1,585MW was under development.
- In the year ending 30 June 2026, BSIF is expected to generate some 880 GWh of clean energy, enough to power around 326,000 homes, and avoid over 155,000 tonnes of CO₂e emissions.

Drax Board Statement

- The Acquisition constitutes a “significant transaction” for Drax for the purposes of the UK Listing Rules and this Announcement constitutes a notification pursuant to Chapter 7 of the UK Listing Rules.
- Certain further information required to be notified by Drax pursuant to Chapter 7 of the UK Listing Rules will be set out in the Scheme Document.
- The Drax Directors believe that the Acquisition is in the best interests of Drax Shareholders as a whole.

Timetable and Conditions

- It is intended that the Acquisition will be implemented by way of a court-sanctioned scheme of arrangement under Part VIII of the Companies Law (although Drax Bidco reserves the right to implement the Acquisition by way of a Takeover Offer, with the Panel's consent and compliance with the Code).
- The Acquisition will be put to the BSIF Shareholders at the Court Meeting and the General Meeting. In order to become Effective, the Scheme must be approved by a majority in number of the Scheme Shareholders present and voting (and entitled to vote) at the Court Meeting, either in person or by proxy, representing at least 75 per cent. of the votes cast by those Scheme Shareholders. In addition, a special resolution implementing the Scheme and amending the articles of incorporation of BSIF must be passed by BSIF Shareholders representing at least 75 per cent. of votes cast at the General Meeting. Following the Court Meeting, the Scheme must also be sanctioned by the Court.
- The Acquisition is also subject to the Conditions and terms set out in Appendix I to this Announcement, including the UK National Security and Investment Condition.
- For the purposes of Rule 29.1(d) of the Code, a valuation of BSIF's portfolio will be included in the Scheme Document (or, if applicable, the Offer Document).
- The Scheme Document, containing further information about the Acquisition and the Scheme and notices of the Court Meeting and the General Meeting will be distributed to BSIF Shareholders (along with the Forms of Proxy for use in connection with the Court Meeting and the General Meeting) as soon as reasonably practicable and, in any event, within 28 days of the date of this Announcement (or such later time (if any) as Drax Bidco, BSIF and the Panel agree and, if required, the Court may approve).
- Subject to the satisfaction or (where applicable) waiver of the Conditions, the Acquisition is expected to become Effective during Q3 2026.

Commenting on the Acquisition, Michael Gibbons CBE, Chair of BSIF, said:

“BSIF was a pioneer in creating the first UK-listed investment trust focused primarily on UK solar energy infrastructure. Since its IPO in 2013, BSIF’s operating portfolio has grown with the UK Solar PV market to c.850MW, including an expansion into the onshore wind and battery storage asset classes. In that time, BSIF has delivered a total shareholder return of 122 per cent. and, as at BSIF’s most recent results, generates enough green electricity to power over 326,000 homes with renewable energy. None of this would have been possible without the resources and considerable expertise of Bluefield Partners, the investment adviser whose management of this company has established them as one of the leading experts in the renewables industry.

However, since autumn 2022, a changed interest rate environment has contributed to BSIF Shares trading at a consistent double digit discount to NAV. Without fresh capital to invest in new projects, the portfolio’s quarterly NAVs have naturally declined with the payment of dividends. Against this changed backdrop, following an earlier evaluation of strategic options and shareholder feedback which indicated a clear preference for value maximising options, the BSIF Board acted decisively to initiate a Formal Sale Process. The BSIF Board is pleased with the conclusion of this process and believes the Acquisition at a 31 per cent. premium (including the Permitted Dividend) to the closing share price on 4 November 2025, represents a highly attractive outcome for BSIF Shareholders and a compelling opportunity to crystallise value in cash. The BSIF Board unanimously recommends that BSIF Shareholders vote in favour of the Acquisition.”

Commenting on the Acquisition, Will Gardiner, CEO of Drax, said:

“The UK’s energy system is rapidly evolving and to meet its changing needs Drax is transitioning too. We are excited about the opportunities we have to invest in growing our business and supporting the country’s long-term energy security by adding new sources of generation and storage to our portfolio.

BSIF could potentially be the biggest acquisition our business has ever made. It represents an attractive opportunity to substantially grow our renewable generation business, while being highly complementary to the Wider Drax Group’s existing operations and FlexGen portfolio. This deal can help meet the UK’s energy goals of security of supply, affordability and decarbonisation as rising levels of renewable electricity are expected to meet growing national power demand.

The Acquisition is part of our plan to allocate up to £2 billion into flexible and renewable energy through the decade, and can deliver a step change in Drax’s EBITDA and contracted cashflows and synergy benefits, which supports returns significantly in excess of Wider Drax Group target WACC. There is no change to our capital allocation policy as a result of the potential transaction. We remain committed to our balance sheet targets, including returns to shareholders.”

This summary should be read in conjunction with the full text of this Announcement. The Acquisition shall be subject to the Conditions and further terms set out in Appendix I to this Announcement and to the full terms and conditions which shall be set out in the Scheme Document. Additional information for investors in the United States

*The Acquisition relates to shares of a Guernsey company with a listing on the Main Market and is proposed to be effected by means of a court-sanctioned scheme of arrangement under the laws of Guernsey. A transaction effected by means of a court-sanctioned scheme of arrangement governed by the laws of Guernsey is not subject to the tender offer rules or the proxy solicitation rules under the US Exchange Act of 1934, as amended (the “**US Exchange Act**”).*

Accordingly, the Acquisition is subject to the disclosure and procedural requirements applicable to schemes of arrangements involving a target company incorporated in Guernsey and listed on the Main Market which differ from the requirements of United States tender offer and proxy solicitation rules.

However, if Drax Bidco were to elect to implement the Acquisition by means of a Takeover Offer and determines to extend such Takeover Offer into the United States, such Takeover Offer shall be made in compliance with all applicable United States laws and regulations, including, without limitation, to the extent applicable, Section 14(e) of the US Exchange Act and Regulation 14E thereunder. Such a Takeover Offer would be made in the United States by Drax Bidco and no one else.

In the event that the Acquisition is implemented by way of a Takeover Offer, in accordance with normal United Kingdom practice and pursuant to Rule 14e-5(b) of the US Exchange Act (if

applicable), Drax Bidco, its affiliates, their advisers and their nominees or brokers (acting as agents), may from time to time make certain purchases of, or arrangements to purchase, shares or other securities of BSIF, other than pursuant to such Takeover Offer, during the period in which such Takeover Offer would remain open for acceptance. These purchases may occur either in the open market at prevailing prices or in private transactions at negotiated prices and would comply with applicable law, including the US Exchange Act. Any information about such purchases or arrangements to purchase shall be disclosed as required in the UK, shall be available to all investors (including US investors) via a Regulatory Information Service and shall also be available on the London Stock Exchange website at www.londonstockexchange.com.

The receipt of consideration by a US holder for the transfer of its BSIF Shares pursuant to the Scheme is likely to be a taxable transaction for United States federal income tax purposes and under applicable US state and local, as well as overseas and other, tax laws. Each BSIF Shareholder is urged to consult their independent professional advisers immediately regarding the tax consequences of the Acquisition applicable to them, including under applicable United States federal, state and local, as well as overseas and other, tax laws.

Financial information relating to BSIF included in this Announcement and the Scheme Document has been or shall have been prepared in accordance with accounting standards applicable in Guernsey and the United Kingdom and may not be comparable to financial information of United States companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the United States ("US GAAP"). US GAAP differs in certain significant respects from accounting standards applicable in Guernsey and the United Kingdom. None of the financial information in this Announcement has been audited in accordance with auditing standards generally accepted in the United States or the auditing standards of the Public Company Accounting Oversight Board (United States).

It may be difficult for US holders of BSIF Shares to enforce their rights and any claim arising out of the US federal securities laws in connection with the Acquisition, since Drax Bidco and BSIF are each organised in countries other than the United States, and some or all of their officers and directors may be residents of, and some or all of their assets may be located in, jurisdictions other than the United States. As a result, US holders of BSIF Shares may not be able to effect service of process upon a non-US company or its officers or directors or to enforce against them a judgment of a US court for violations of federal or state securities laws of the United States, including judgments based upon the civil liability provisions of the US federal securities laws. US holders of BSIF Shares may not be able to sue a non-US company or its officers or directors in a non-US court for violations of US securities laws. Further, it may be difficult to compel a non-US company and its affiliates to subject themselves to a US court's jurisdiction or judgment.

Neither the US Securities and Exchange Commission nor any US state securities commission has approved or disapproved or passed judgment upon the fairness or the merits of the Acquisition or determined if this Announcement is adequate, accurate or complete. Any representation to the contrary is a criminal offence in the United States.

RECOMMENDED CASH ACQUISITION

of

Bluefield Solar Income Fund Limited (“BSIF”)

by

Drax Smart Generation Holdco Limited (“Drax Bidco”)

a wholly-owned subsidiary of Drax Group plc (“Drax”)

to be implemented by means of a court-sanctioned scheme of arrangement under Part VIII of the Companies (Guernsey) Law, 2008, as amended

1 Introduction

The boards of directors of each of Drax Bidco and BSIF are pleased to announce that they have reached agreement on the terms of a recommended all cash acquisition by Drax Bidco pursuant to which Drax Bidco will acquire the entire issued share capital of BSIF (the “**Acquisition**”). The Acquisition is to be effected by means of a court-sanctioned scheme of arrangement under Part VIII of the Companies Law.

2 The Acquisition

Under the terms of the Acquisition, which shall be subject to the Conditions and further terms set out in Appendix I to this Announcement and to be set out in the Scheme Document, BSIF Shareholders will be entitled to receive 92.574 pence in cash per BSIF Share (the “**Cash Consideration**”). In addition, BSIF Shareholders will be entitled to keep the second interim dividend of 2.25 pence per BSIF Share payable to qualifying BSIF Shareholders on or around 15 June 2026 (the “**Permitted Dividend**”). Accordingly, BSIF Shareholders (where they qualify for the Permitted Dividend) will be entitled to receive a total value of 94.824 pence per BSIF Share.

The Cash Consideration values the entire issued share capital of BSIF at approximately £548 million, and represents:

- a premium of approximately 28 per cent. to the Closing Price of 72.20 pence per BSIF Share on 4 November 2025 (being the last Business Day prior to the commencement of the Offer Period); and
- a premium of approximately 19 per cent. to the one-month volume weighted average price of 78.06 pence per BSIF Share on 4 November 2025 (being the last Business Day prior to the commencement of the Offer Period).

Including the Permitted Dividend, the terms of the Acquisition value the entire issued share capital of BSIF at approximately £561 million, and represent:

- a premium of approximately 31 per cent. to the Closing Price of 72.20 pence per BSIF Share on 4 November 2025 (being the last Business Day prior to the commencement of the Offer Period);
- a premium of approximately 21 per cent. to the one-month volume weighted average price of 78.06 pence per BSIF Share on 4 November 2025 (being the last Business Day prior to the commencement of the Offer Period); and
- a discount of approximately 9 per cent. to the unaudited 31 March 2026 net asset value of 104.52 pence per BSIF Share announced by BSIF on 14 May 2026.

The terms of the Acquisition represent an enterprise value for BSIF of approximately £1,082 million.

Other than in relation to the Permitted Dividend, if, on or after the date of this Announcement and on or prior to the Effective Date, any dividend, distribution or other return of value is announced, declared, made, or paid or becomes payable in respect of BSIF, Drax Bidco reserves the right to reduce the Cash Consideration payable under the terms of the Acquisition by an amount up to the amount of any such dividend, other distribution or return of value, in which case any reference in this Announcement to the Cash Consideration will be deemed to be a reference to the Cash Consideration so reduced. If (but only to the extent) Drax Bidco exercises this right or makes such a reduction in respect of a dividend, other distribution or return of value, BSIF Shareholders shall be entitled to receive and retain any such dividend, distribution, or other return of value declared, made, or paid.

The Scheme Document, containing further information about the Acquisition and notices of the Court Meeting and the General Meeting will be distributed to BSIF Shareholders (along with the Forms of Proxy for use in connection with the Court Meeting and the General Meeting) as soon as reasonably practicable and, in any event, within 28 days of the date of this Announcement (or such later time (if any) as Drax Bidco, BSIF and the Panel agree and, if required, the Court may approve). It is expected that the Court Meeting and the General Meeting shall be held in July 2026 and that, subject to the satisfaction or (where applicable) waiver of the Conditions, the Acquisition is expected to become Effective during Q3 2026.

3 Background to and reasons for the Acquisition

Drax believes the Acquisition of BSIF offers an attractive opportunity to grow its UK renewable generation business whilst being highly complementary to the Wider Drax Group's existing operations and FlexGen portfolio. The Acquisition offers Drax direct access into a 0.9GW renewable portfolio, comprised of operating and under construction solar and wind assets, plus a >1GW (2.9GW gross capacity) development pipeline to be constructed across the next decade. These assets can complement the Wider Drax Group's existing portfolio of c.2.2GW of FlexGen assets and developments and 2.6GW of biomass, creating a broader base of UK generation assets and associated earnings.

The Acquisition aligns with the Wider Drax Group's strategic and capital allocation priorities to allocate up to £2 billion of incremental investment (between 2025 and 2031), primarily in flexible and renewable energy to create value and growth in the short, medium and long-term, and to support delivery of the UK's objectives of energy security, affordability, and decarbonisation. Drax believes

that the Acquisition is underpinned by strong cash generation from BSIF's operational portfolio, a disciplined approach to capital allocation, and attractive returns for Drax shareholders.

NESO expects demand for power to double, with most of that demand being met by embedding renewable generation into the future of the UK power system, as well as driving an increasing need for flexible generation. Drax believes these strong demand, industry and policy tailwinds are supported by the increased focus on UK energy security, resulting from recent geopolitical events, which are expected to drive a growing requirement for domestic generation capacity in the UK. Moreover, expectations of rising power demand driven by AI, data centres and the broader electrification of transport and industry will support higher long-term demand for power over the decades to come. Drax believes that solar and wind assets, when combined with the Wider Drax Group's existing UK generation portfolio, would be well placed to support energy security and decarbonisation of the UK system, and in doing so create long-term sustained value for the Wider Drax Group.

BSIF, a publicly listed investment company which operates a portfolio of UK based renewable energy infrastructure assets (including photovoltaic plants, wind farms and small-scale wind turbines), supports Drax's core UK generation focus and, as an acquisition, represents a compelling opportunity to add operating assets with predominantly contracted cash flows, in addition to under construction and development assets to the Wider Drax Group's existing portfolio, with a focus in particular on the following key benefits:

- Significant expansion of the Wider Drax Group's renewable generation capabilities;
- Optimising Drax's generation mix, complementing FlexGen assets and biomass with solar and wind generation;
- For the financial year ended 30 June 2025, BSIF generated underlying earnings of c.£95 million, EBITDA of c.£130 million and operating free cash flow of c.£118 million. BSIF will provide an opportunity to grow Drax's EBITDA from renewables, offering greater predictability and visibility of cash flows from a large operational portfolio that reduces the Wider Drax Group's earnings risk from grid connection delays. With an operational portfolio underpinned by long-term investment schemes and certificates, BSIF maintains a highly contracted revenue base, with 57 per cent. of revenue generated from FiT, ROCs, CfDs and REGOs, and the remaining 43 per cent. derived from PPAs in the six months to 31 December 2025;
- Combining BSIF's portfolio with Drax's existing flexible generation assets, alongside Drax's marketing and trading capabilities, will create a broader renewables platform. This could enable Drax to improve revenues from renewable certificate trading, improve routes-to-market, and make better use of the Wider Drax Group's trading platform. It could also allow the combined portfolio to be dispatched more efficiently on a 24/7 basis, driving optimisation and market access cost savings;
- Provides a significant development opportunity, allowing Drax to continue to sustainably increase the scale of solar and BESS capacity. As at 31 December 2025, 545MW of BSIF's solar development portfolio is underpinned by long-term 15-to-20 year CfD contracts, secured in Allocation Rounds 4, 5, 6 and 7;
- Offering the potential to unlock significant synergies across the Wider Drax Group's trading, operations and energy sales activities in addition to potential cost savings associated with listing costs and lower trading costs by utilising Drax's existing route-to-

market platforms (including providing a route-to-market for over 2,000 embedded generators) and trading operations; and

- Accelerating Drax's contribution to the UK's national climate targets and ambitions for a clean power system and net zero objectives.

Drax expects that return on invested capital from the Acquisition will significantly exceed the Wider Drax Group's target weighted average cost of capital.

The Cash Consideration will be entirely debt financed through a £1.1 billion bridge financing facility (which will be subsequently refinanced). The borrower under the bridge financing facility is Drax Corporate. Drax Corporate will then lend the full amount of the facility to Drax Bidco pursuant to an intra-group loan agreement.

Drax remains committed to its current credit ratings and its long-term Net Debt to Adjusted EBITDA target of 2.0x, as well as its existing capital allocation policy, including its plans to return over £1 billion to shareholders (2025-3031) via a sustainable and growing dividend and its ongoing £450 million share buyback programme. The first £75 million tranche of the programme was completed in April 2026 and Drax expects to continue the programme in due course, with the precise timing and cadence of subsequent phases subject to the completion of the Acquisition and the maintenance of the Wider Drax Group's balance sheet priorities. Drax will however pause the current share buyback programme, pending the completion of the Acquisition, whilst it ensures the strength of its balance sheet and delivery of its investment priorities. Returns to shareholders and growth investment follow a capital ranking process which aims to maximise risk adjusted returns to shareholders. Drax continues to target free cash flow of c.£3 billion (2025-2031) from its existing businesses, as announced at its Full Year 2025 results, with c.£2 billion allocated to investment in flexible and renewable generation and the return of over £1 billion to shareholders.

Following the Acquisition becoming Effective, the earnings, assets and liabilities of the BSIF Group will be consolidated into the earnings, assets and liabilities of the Wider Drax Group. The earnings, assets and liabilities of the Wider Drax Group would thereby be increased.

4 Recommendation

The BSIF Directors, who have been so advised by Deutsche Numis and Rothschild & Co as to the financial terms of the Acquisition, consider the terms of the Acquisition to be fair and reasonable. In providing their advice to the BSIF Directors, Deutsche Numis and Rothschild & Co have taken into account the commercial assessments of the BSIF Directors. Deutsche Numis and Rothschild & Co are providing independent financial advice to the BSIF Directors for the purposes of Rule 3 of the Code.

Accordingly, the BSIF Directors unanimously intend to recommend that BSIF Shareholders vote in favour of the Scheme at the Court Meeting and the resolutions to be proposed at the General Meeting (or, in the event that the Acquisition is implemented by way of a Takeover Offer, to accept or procure acceptance of the Takeover Offer), as the BSIF Directors who hold BSIF Shares have irrevocably undertaken to do in respect of their own beneficial holdings of 176,800 BSIF Shares, representing, in aggregate, approximately 0.03 per cent. of the issued share capital of BSIF on 29 May 2026 (being the latest practicable date prior to this Announcement).

5 Background to and reasons for the recommendation

Background

BSIF was established in 2013 as the first UK-listed investment company focused primarily on UK solar energy infrastructure. At the time of its IPO, there was no listed vehicle dedicated to this sector and BSIF was therefore a pioneer in creating a new asset class within the UK investment company landscape.

BSIF has grown into a scaled and established participant in the UK renewable energy market, building a high-quality portfolio of operational assets alongside a substantial proprietary development pipeline. This growth has been underpinned by the experience, stability and disciplined investment approach of its investment adviser, Bluefield, whose management team has been central to sourcing, developing and operating BSIF's assets.

As at 31 December 2025, BSIF owned an operational solar portfolio of 121 photovoltaic plants (consisting of 79 large scale sites, 39 micro sites and 3 roof top sites), 6 wind farms and 109 small scale UK onshore wind turbines, all 100 per cent. owned by BSIF, with a total capacity of 748.7MW. BSIF also has a 25 per cent. stake in a joint venture portfolio of UK solar assets in partnership with GLIL Infrastructure, who own the remaining 75 per cent. The total capacity of the joint venture portfolio is 412.1MW. BSIF's total operating capacity was therefore 851.8MW as at 31 December 2025, composed of 793.5MW of solar and 58.3MW of onshore wind.

In addition to the operational portfolio, BSIF benefits from its own proprietary development pipeline. As at 31 December 2025, this consisted of 946MW of solar projects and 1,915MW of BESS projects; 25MW of the pipeline was under construction, 1,204MW was fully consented, 47MW was in planning and 1,585MW was under development.

In the financial year ending 30 June 2026, BSIF is expected to generate some 880 GWh of clean energy, enough to power around 326,000 homes, and avoid over 155,000 tonnes of CO₂e emissions.

Market backdrop and evaluation of strategic options

Despite these strengths, the BSIF Board has for some time recognised the structural challenges facing listed renewable investment companies. A period of higher sterling interest rates has prevailed since autumn 2022 and the BSIF Shares have traded at a persistent discount to NAV, at times reaching approximately 40 per cent.

This has prevented BSIF from raising capital from the public markets, which had previously supported BSIF's NAV growth and the financing of its development pipeline. Whilst Bluefield has supported BSIF in creating a series of liquidity events and identifying other sources of capital, in the absence of consistent access to new equity capital, BSIF has been unable to expand its asset base at scale, resulting in a natural NAV decline for BSIF Shareholders.

BSIF is not alone in facing these structural challenges; the wider sector has continued to suffer from persistent discounts to NAV, sustained outflows, and weak sentiment towards real asset investment vehicles.

Against this backdrop, the BSIF Board announced in its Interim Report on 27 February 2025 that it was committed to exploring strategic initiatives to address the share price discount and to continue maximising value for BSIF Shareholders. In conjunction with Bluefield and its own financial advisers in Deutsche Numis and Rothschild & Co, the BSIF Board evaluated numerous and diverse possibilities to maximise value for BSIF Shareholders including continuing under the current business model, pursuing a structural evolution towards a more integrated and growth-oriented platform, and the potential sale of BSIF or its assets.

After a period of market engagement (which included the evaluation of potential offers for BSIF's assets), the BSIF Board engaged extensively with BSIF Shareholders in the weeks following the publication of the 2025 Annual Report published on 21 October 2025 in relation to a potential transition to a more integrated and growth-orientated business model to unlock long-term value (including the potential internalisation of its investment adviser and changes to its dividend policy).

It became clear during this engagement that such a transition was unlikely to be the preferred strategic direction of BSIF Shareholders as a whole. The BSIF Board received a variety of views from BSIF Shareholders, including some supporting the existing business model and strategy. However, a majority of BSIF Shareholders expressed a clear preference for alternative value-maximising options, such as the potential sale of BSIF or its assets.

This feedback, together with the insights gained from its evaluation of alternative strategic initiatives, informed the BSIF Board's decision to pursue a broad and more competitive sales process in order to maximise value for BSIF Shareholders.

Strategic Review and Formal Sale Process

Accordingly, on 5 November 2025, the BSIF Board announced its decision to initiate a coordinated Strategic Review and Formal Sale Process ("**FSP**") which has now successfully concluded.

The FSP was conducted in the public domain to attract interest from a diverse range of potential acquirers and to maximise value for BSIF Shareholders. Deutsche Numis and Rothschild & Co conducted an extensive and thorough marketing exercise and held discussions with a wide range of potentially interested parties. The process generated significant interest from strategic investors, financial institutions and financial sponsors.

The first phase of the process provided potentially interested parties with a limited set of confidential information, including a financial model and summary presentation. In February 2026, the BSIF Board received a number of attractive and credible non-binding proposals from a range of potential acquirers. Following a thorough evaluation process, a targeted and discrete number of parties were invited to participate in the next phase of the process and undertake more extensive due diligence ahead of submitting revised non-binding proposals.

On 15 May 2026, Drax submitted a revised non-binding proposal, subject to finalisation of limited remaining confirmatory due diligence, amongst other items. Following a short period of evaluation and negotiation, the BSIF Board progressed discussions with Drax and agreed the terms of the Acquisition as set out in this Announcement.

Conclusion and reasons for the recommendation

The extensive, public, and competitive nature of the FSP, combined with BSIF's earlier evaluation of strategic options including the potential sale of BSIF or its assets, has enabled the BSIF Board to fully and robustly test the value of BSIF's portfolio with the market and identify the most attractive available outcome for BSIF Shareholders.

Including the Permitted Dividend, the terms of the Acquisition values the entire issued share capital of BSIF at approximately £561 million, and represents:

- a premium of approximately 31 per cent. to the Closing Price of 72.20 pence per BSIF Share on 4 November 2025 (being the last Business Day prior to the commencement of the Offer Period);

- a premium of approximately 21 per cent. to the one-month volume weighted average price of 78.06 pence per BSIF Share on 4 November 2025 (being the last Business Day prior to the commencement of the Offer Period); and
- a discount of approximately 9 per cent. to the unaudited 31 March 2026 net asset value of 104.52 pence per BSIF Share announced by BSIF on 14 May 2026.

The BSIF Board believes that the Acquisition represents an attractive and compelling opportunity for BSIF Shareholders to crystallise value in cash.

Therefore, after careful consideration together with Deutsche Numis and Rothschild & Co, the BSIF Board has concluded that the Acquisition is in the best interests of BSIF Shareholders. Accordingly, the BSIF Directors unanimously intend to recommend the Acquisition to BSIF's Shareholders.

6 Shareholder support

Drax Bidco has received irrevocable undertakings from each of the BSIF Directors who hold BSIF Shares to vote in favour of the Scheme at the Court Meeting and the resolutions to be proposed at the General Meeting (or, in the event that the Acquisition is implemented by way of a Takeover Offer, to accept or procure acceptance of the Takeover Offer), in respect of a total of 176,800 BSIF Shares, representing, in aggregate, approximately 0.03 per cent. of the issued share capital of BSIF on 29 May 2026 (being the latest practicable date prior to this Announcement).

Further details of these irrevocable undertakings are set out in Appendix III to this Announcement.

7 Information on Drax Bidco and Drax

Drax is a renewable energy company engaged in renewable power generation, the production of sustainable biomass and the sale of renewable electricity to businesses.

Drax operates a generation portfolio of sustainable biomass (c.2.6GW), hydro-electric and pumped storage hydro assets (c.560MW) in England and Scotland. At Drax's Cruachan Power Station, a project which will add 40MW of additional capacity is progressing. Drax is constructing three OCGT assets, two in England and one in Wales which, when commissioned, will provide capacity of c.900MW in aggregate. Drax is also developing a pipeline of BESS investment opportunities comprising physical assets and capabilities to optimise third-party assets with the provision of route-to-market, floor and tolling structures. In October 2025, Drax agreed to acquire three BESS projects across Scotland and England from Aputura Limited which, when fully commissioned, will provide capacity of c.260MW in aggregate. The Wider Drax Group also has in place agreements for 450MW of tolling contracts, comprising 250MW from a 10-year tolling agreement with West Burton C Limited, a company owned by Fidra Energy, entered into in January 2026, and 200MW from a 15-year tolling agreement with Zenobē Coalburn Limited, entered into in February 2026.

In March 2026, Drax completed the acquisition of Flexitricity Limited, a UK-based optimiser of flexible energy assets, with a scalable platform expected to support the Wider Drax Group's ambition to develop a GW scale pipeline of BESS opportunities.

The Wider Drax Group continues to evaluate opportunities to maximise value from the Drax Power Station site, including the potential for a c.100MW data centre, as well as other generation sources.

Drax's Energy Solutions business sells renewable electricity to industrial and commercial customers in the UK.

The Wider Drax Group also operates a biomass pellet production business with 14 operational sites for a combination of own-use and third-party sales. As at 31 December 2025, the Wider Drax Group employed over 2,900 people in the UK, US, Canada and Japan. The Wider Drax Group reported total revenue of £5,391 million in 2025 and Adjusted EBITDA of c.£947 million in the financial year ended 31 December 2025.

Drax Bidco is a wholly-owned subsidiary undertaking of Drax. It owns the UK generation portfolio of Drax, being Drax Power Station, the hydro-electric and pumped storage hydro assets, the three OCGT assets and the three BESS projects under development acquired from Apatura Limited.

8 Drax Board Statement

The Acquisition constitutes a “significant transaction” for Drax for the purposes of the UK Listing Rules and this Announcement constitutes a notification pursuant to Chapter 7 of the UK Listing Rules.

Certain further information required to be notified by Drax pursuant to Chapter 7 of the UK Listing Rules will be set out in the Scheme Document.

The Drax Directors believe that the Acquisition is in the best interests of Drax Shareholders as a whole.

10 Strategic plans, management, employees, pensions, research and development and locations for BSIF

Strategic plans

Drax Bidco recognises the breadth and quality of BSIF's portfolio of renewable generation assets which will, upon completion of the Acquisition, be integrated into Drax's broader portfolio of generation assets with Drax seeking to leverage its existing capabilities and capital base to enhance operational performance.

It was set out in BSIF's announcement of the commencement of its Formal Sale Process on 5 November 2025 that Bluefield, BSIF's manager and provider of a range of services including asset management, operations and maintenance, construction management and project development would also support the sale of its business in tandem with a sale of BSIF. As such, Drax was invited to (and did) conduct due diligence on Bluefield concurrently with the BSIF Formal Sale Process. To date, Drax has declined to make any proposal for the acquisition of Bluefield or the renegotiation of any existing arrangements between the BSIF Group and the Bluefield Group.

Drax Bidco intends to enter into further discussions with the partners and management team of Bluefield after the date of this Announcement, with the aim of reaching alignment in respect of these matters within three months following the Effective Date, to identify how Bluefield's expertise and capabilities can most effectively be retained to ensure continuity of stewardship for the BSIF portfolio, which may include an acquisition of all or part of the businesses of the Bluefield Group, the variation of existing contractual arrangements between the Bluefield Group and the BSIF or the continuation of existing contractual arrangements for a period of time following the Effective Date.

Board composition and governance arrangements

Drax Bidco intends to delist BSIF immediately following the Effective Date. Consequently, Drax Bidco will not require listed company governance structures and accordingly, it is intended that each of the BSIF Directors will step down from the board of directors of BSIF, and the directors of the BSIF Group companies will step down from the boards of each of the BSIF Group companies, upon the Effective Date.

Employees, management and pensions

As BSIF is an externally-managed investment company, BSIF does not have any employees and therefore does not operate any pension schemes, nor does it have any arrangements in place for any employee involvement in its capital.

Headquarters, fixed assets, research and development

BSIF has no fixed place of business, fixed assets (other than its renewable generation assets), research and development function or headquarters. Following completion of the Acquisition, and subject to any agreements or arrangements which may be agreed with the partners and

management team of Bluefield as mentioned in this paragraph 10, it is intended that BSIF will be managed from Drax's existing office locations.

Asset management arrangements

As set out above, Drax Bidco intends to enter into further discussions with the partners and management team of Bluefield, BSIF's manager and provider of a range of services including asset management, operations and maintenance, construction management and project development, after the date of this Announcement, with the aim of reaching alignment in respect of these matters within three months of the Effective Date.

Trading facilities

It is intended that dealings in, and registration of transfers of, BSIF Shares (other than the registration of the transfer of the Scheme Shares to Drax Bidco pursuant to the Scheme) will be suspended shortly before the Effective Date at a time to be set out in the Scheme Document. It is further intended that applications will be made to the London Stock Exchange to cancel the trading in the BSIF Shares on the main market, and to the FCA to cancel the listing of the BSIF Shares on the Official List, in each case with effect from or shortly following the Effective Date. Further details about the delisting and cancellation of trading of the BSIF Shares can be found in paragraph 14 of this Announcement.

Post-offer undertakings

No statements in this paragraph 10 are "post-offer undertakings" for the purposes of Rule 19.5 of the Code.

11 Financing

The Cash Consideration payable to BSIF Shareholders under the terms of the Acquisition will be entirely debt financed through a £1.1 billion bridge financing facility (and an intra-group loan) to satisfy the certain funds requirement of the Code.

J.P. Morgan Cazenove, in its capacity as financial adviser to Drax Bidco, confirms that it is satisfied that sufficient resources are available to Drax Bidco to satisfy in full the Cash Consideration payable to BSIF Shareholders under the terms of the Acquisition.

12 Offer-related arrangements

Confidentiality Undertaking

BSIF and Drax Corporate entered into a confidentiality agreement on 25 November 2025 (the "**Confidentiality Undertaking**") pursuant to which Drax has undertaken to keep confidential certain information relating to, inter alia, the Acquisition and BSIF and not to disclose it to third parties (other than certain permitted parties) unless required by law or regulation. The confidentiality obligations under the Confidentiality Undertaking shall terminate on the earlier of completion of the Acquisition and two years following the date of the Confidentiality Undertaking. The Confidentiality Undertaking also contains customary non-solicit and standstill provisions, applicable for twelve months respectively, in each case subject to customary carve outs.

Inducement Fee Agreement

BSIF and Drax Bidco have entered into the Inducement Fee Agreement pursuant to which BSIF has agreed to pay to Drax Bidco an inducement fee of an amount in cash equal to £5,481,122, being one per cent. of the Cash Consideration, in the event that a competing offer is made for BSIF by a third party which is not acting in concert with Drax Bidco and such competing offer is declared unconditional or becomes effective.

13 Related Party Transaction with Bluefield

As more particularly described below, BSIF has agreed to pay a fee to its investment adviser, Bluefield, in respect of certain out of scope additional services provided by it in connection with the Formal Sale Process and the Acquisition. The agreement to pay such fee constitutes a related party transaction for the purposes of the UK Listing Rules. Bluefield, as BSIF's investment adviser, is a related party of BSIF under the UK Listing Rules.

Additional Services Fee

In accordance with the existing amended and restated investment advisory agreement dated 21 December 2023 made between BSIF, Bluefield Renewables 1 Limited and Bluefield, as supplemented by an agreement dated 16 February 2026 (the "**Investment Advisory Agreement**"), BSIF has agreed to pay Bluefield a fee of £1.75 million in respect of the provision of certain out of scope additional services by it in connection with the Formal Sale Process and the Acquisition (the "**Additional Services Fee**").

The Additional Services Fee relates to certain services provided by Bluefield in connection with the Formal Sale Process and the Acquisition in addition to the usual investment advisory and other services provided by it in accordance with the Investment Advisory Agreement for which Bluefield receives an annual advisory fee. These additional services were extensive and included, among other things, supporting and coordinating due diligence, participating in bidder engagement processes, coordinating site visits, and providing financial analysis and modelling support.

Bluefield is interested in this transaction as the recipient of the Additional Services Fee.

As the applicable percentage ratios in respect of the Additional Services Fee exceed 0.25 per cent. but are less than 5 per cent., the Additional Services Fee constitutes a relevant related party transaction for the purposes of UKLR 8.2.1R (as modified by UKLR 11).

The BSIF Board considers the terms of the Additional Services Fee to be fair and reasonable as far as BSIF Shareholders are concerned and has been so advised by Deutsche Numis, which is acting as sponsor to BSIF for the purposes of this transaction.

Other transactions with Bluefield in the previous 12 months

BSIF has also entered into the following transactions with Bluefield within the preceding 12 months:

(i). Sale of interest in Longpasture Solar Farm

In August 2025, BSIF paid a fee of £712,000 to Bluefield in connection with the sale of New Road Solar Limited's 60 per cent. interest in Longpasture Solar Farm, a fully consented co-located 70MW solar and 40MW battery storage project developed with Lightrock Power, to Enviromena.

Bluefield's interest in this transaction arose under the Investment Advisory Agreement, pursuant to which Bluefield is entitled to receive 20 per cent. of the development profit realised by BSIF on such disposals. The fee was calculated in accordance with this development profit-sharing mechanism.

(ii). Sale of development pipeline to Lyceum joint venture

In August 2025, BSIF also paid a fee of £383,000 to Bluefield in connection with the sale of a renewable energy development pipeline, comprising a 44MW co-located solar project and a 25MW battery storage project (under construction), together with a c.150MW pipeline of near-stage development assets, to the Lyceum joint venture.

Bluefield's interest in this transaction arose as the recipient of a negotiated M&A advisory fee in respect of the origination, structuring and execution of the transaction.

14 Structure of and Conditions to the Acquisition

It is intended that the Acquisition will be effected by means of a Court-approved scheme of arrangement between BSIF and the Scheme Shareholders under Part VIII of the Companies Law, although Drax Bidco reserves the right to implement the Acquisition by means of a Takeover Offer (with the Panel's consent and in compliance with the Code).

The purpose of the Scheme is to provide for Drax Bidco to become the holder of the entire issued share capital of BSIF. This is to be achieved by the transfer of the Scheme Shares to Drax Bidco, in consideration for which the Scheme Shareholders shall receive the Cash Consideration.

The Acquisition shall be subject to the Conditions and further terms set out below and in Appendix I to this Announcement and to be set out in the Scheme Document and shall only become Effective, if, among other things, the following events occur on or before 11.59 p.m. on the Long Stop Date:

- the approval of the Scheme by a majority in number of the Scheme Shareholders who are present and vote (and are entitled to vote), whether in person or by proxy, at the Court Meeting (or any adjournment or postponement thereof) and who represent at least 75 per cent. of the votes cast by those Scheme Shareholders;
- the resolutions required to approve and implement the Scheme being duly passed by BSIF Shareholders representing the requisite majority or majorities of votes cast at the General Meeting (or any adjournment or postponement thereof);
- the satisfaction of the UK National Security and Investment Condition; and
- the sanction of the Scheme by the Court (with or without modification, but subject to any modification being on terms acceptable to BSIF and Drax Bidco).

The Scheme will lapse if:

- the Court Meeting and the General Meeting are not held on or before the 22nd day after the expected date of such meetings to be set out in the Scheme Document in due course (or such later date, if any, (a) as Drax Bidco and BSIF may agree or (b) (in a competitive situation) as may be specified by Drax Bidco with the consent of the Panel, and in each case that (if so required) the Court may allow);
- the Court Hearing is not held on or before the 22nd day after the expected date of such hearing as first announced by BSIF through a Regulatory Information Service (or such later date, if any, (a) as Drax Bidco and BSIF may agree or (b) (in a competitive situation) as may be specified by Drax Bidco with the consent of the Panel, and in each case that (if so required) the Court may allow); or
- the Scheme does not become Effective on or before 11.59 p.m. on the Long Stop Date (or such later date, if any, (a) as Drax Bidco and BSIF may agree or (b) (in a competitive situation) as may be specified by Drax Bidco with the consent of the Panel, and in each case that (if so required) the Court may allow).

Subject to satisfaction (or waiver, where applicable) of the Conditions, the Scheme is expected to become Effective during Q3 2026.

The Acquisition does not require the approval of the shareholders of Drax.

Upon the Scheme becoming Effective, it will be binding on all Scheme Shareholders, irrespective of whether or not they attended or voted, or how they voted, at the Court Meeting or the General Meeting. The Cash Consideration for the Acquisition will be despatched to Scheme Shareholders no later than 14 days after the Effective Date.

BSIF Shares which will be acquired pursuant to the Acquisition will be acquired fully paid and free from all liens, equities, charges, encumbrances, options, rights of pre-emption and any other third party rights and interests of any nature whatsoever and together with all rights now or hereafter attaching or accruing to them, including voting rights and the right to receive and retain in full all dividends and other distributions (if any) declared, made or paid or any other return of capital or value by reference to a record date after the Effective Date.

Except with the Panel's consent, settlement of the Cash Consideration to which any Scheme Shareholder is entitled under the Scheme will be implemented in full in accordance with the terms of the Scheme without regard to any lien, right of set-off, counterclaim or other analogous right to which Drax Bidco may otherwise be, or claim to be, entitled as against such Scheme Shareholder and will be effected in the manner described in this Announcement.

Further details of the Scheme, including an indicative timetable for its implementation, will be set out in the Scheme Document, which shall be distributed to BSIF Shareholders (along with the Forms of Proxy for use in connection with the Court Meeting and the General Meeting) in due course.

The Scheme will be governed by Guernsey law and will be subject to the jurisdiction of the Court. The Acquisition and the Scheme will also be subject to, among other things, the applicable requirements of the Code, the UK Listing Rules, the Panel, the London Stock Exchange and the FCA.

15 Cancellation of admission to trading and surrender of registration as a collective investment scheme

It is intended that dealings in, and registration of transfers of, BSIF Shares will be suspended shortly before the Effective Date at a time to be set out in the Scheme Document. It is further intended that applications will be made to cancel trading in BSIF Shares on the Main Market of the London Stock Exchange with effect from or shortly following the Effective Date.

On the first Business Day after the Effective Date, entitlements to BSIF Shares held within the CREST system will be cancelled, and share certificates in respect of BSIF Shares will cease to be valid.

In addition, it is intended that, following the Effective Date, an application will be made to surrender BSIF's registration as a collective investment scheme regulated by the Guernsey Financial Services Commission.

16 Disclosure of Interests in BSIF

Except for the irrevocable undertakings referred to in paragraph 6 above and Appendix III, as at the date of this Announcement, neither Drax Bidco, nor any of its directors, nor, so far as Drax Bidco is aware, any person acting in concert (within the meaning of the Code) with Drax Bidco for the purposes of the Acquisition:

- has any interest in, or right to subscribe for, any BSIF Shares nor does any such person have any short position in BSIF Shares (whether conditional or absolute and whether in the money or otherwise), including any short position under a derivative, any agreement to sell, any delivery obligation or right to require another person to purchase or take delivery of BSIF Shares;
- has borrowed or lent any BSIF Shares or entered into any financial collateral arrangements relating to BSIF Shares; or
- is party to any dealing of the kind referred to in Note 11 on the definition of acting in concert in the Code in relation to the relevant securities of BSIF.

It has not been possible for Drax Bidco to make enquiries of all of its concert parties in advance of the release of this Announcement. Therefore, all relevant details in respect of Drax Bidco's concert parties shall be included in the Opening Position Disclosure in accordance with Rule 8.1(a) and Note 2(a)(i) on Rule 8 of the Code.

17 General

Drax Bidco reserves the right to elect (with the consent of the Panel and in compliance with the Code) to implement the Acquisition by way of a Takeover Offer for the BSIF Shares as an alternative to the Scheme. In such event, the Takeover Offer shall be implemented on the same terms, so far as applicable, as those which would apply to the Scheme, subject to appropriate amendments, including (without limitation) an acceptance condition set at a level permitted by the Panel.

The Acquisition shall be made subject to the Conditions and further terms set out in Appendix I to this Announcement and to be set out in the Scheme Document. The bases and sources of certain financial information contained in this Announcement are set out in Appendix II to this Announcement. A summary of the irrevocable undertakings given in relation to the Acquisition is contained in Appendix III to this Announcement. For a discussion of the risks to Drax as a result of the Acquisition see Appendix IV. Certain terms used in this Announcement are defined in Appendix V to this Announcement.

The Scheme Document, containing further information about the Acquisition and notices of the Court Meeting and the General Meeting will be distributed to BSIF Shareholders (along with the Forms of Proxy for use in connection with the Court Meeting and the General Meeting) as soon as reasonably practicable and, in any event, within 28 days of the date of this Announcement (or such later time (if any) as Drax Bidco, BSIF and the Panel agree and, if required, the Court may approve).

For the purposes of Rule 29.1(d) of the Code, a valuation of BSIF's portfolio will be included in the Scheme Document.

Further information

This Announcement is for information purposes only and is not intended to and does not constitute, or form part of, any offer to sell or an invitation to purchase any securities; a solicitation of an offer to buy, otherwise acquire, subscribe for, sell or otherwise dispose of any securities pursuant to the Acquisition or otherwise; or the solicitation of any vote or approval in any jurisdiction pursuant to the Acquisition or otherwise nor shall there be any purchase, sale, issuance or exchange of securities or such solicitation in any jurisdiction in which such offer, solicitation, sale issuance or exchange is unlawful. The Acquisition will be made solely by means of the Scheme Document (or, if the Acquisition is implemented by way of a Takeover Offer, the Offer Document) which, together with any related forms of proxy (or, in the case of a Takeover Offer, forms of acceptance), will contain the full terms and conditions of the Acquisition, including details of how to vote in respect of the Scheme (or, in the case of a Takeover Offer, how to accept the offer). Any decision in respect of, or other response to, the Acquisition should be made only on the basis of the information contained in the Scheme Document (or, if the Acquisition is implemented by way of a Takeover Offer, the Offer Document).

BSIF will prepare the Scheme Document to be distributed to BSIF Shareholders. BSIF and Drax Bidco urge BSIF Shareholders to read the Scheme Document (or any other document by which the Acquisition is made) in full when it becomes available because it will contain important information relating to the Acquisition, including details of how to vote in respect of the Scheme. Any vote in respect of resolutions to be proposed at the General Meeting, and any decision in respect of the Scheme or other response in relation to the Acquisition by BSIF Shareholders should be made only on the basis of the information contained in the Scheme Document (or, if the Acquisition is implemented by way of a Takeover Offer, the Offer Document).

Drax Bidco reserves the right to elect (with the consent of the Panel) to implement the Acquisition by way of a Takeover Offer as an alternative to the Scheme. In such event, the Takeover Offer will be implemented on substantially the same terms, so far as applicable, as those which would apply

to the Scheme, subject to appropriate amendments to reflect the change in structure by which the Acquisition is to be implemented and compliance with all applicable laws.

Overseas shareholders

The release, publication or distribution of this Announcement in jurisdictions other than the United Kingdom or Guernsey, and the availability of the Acquisition to BSIF Shareholders who are not resident in the United Kingdom or Guernsey, may be restricted by the laws and/or regulations of those jurisdictions and therefore persons into whose possession this Announcement comes should inform themselves about and observe such restrictions. In particular, the ability of persons who are not resident in the United Kingdom or Guernsey to vote their BSIF Shares with respect to the Scheme at the Court Meeting or the resolution(s) at the General Meeting, or to execute and deliver forms of proxy appointing another to vote at the Court Meeting or the General Meeting on their behalf, may be affected by the laws of the relevant jurisdictions in which they are located. Further details in relation to Overseas Shareholders will be contained in the Scheme Document (or, if the Acquisition is implemented by way of a Takeover Offer, the Offer Document). Any failure to comply with any such restrictions may constitute a violation of the securities laws of any such jurisdiction. To the fullest extent permitted by applicable law, the companies and persons involved in the Acquisition disclaim any responsibility or liability for the violation of such restrictions by any person.

Unless otherwise determined by Drax Bidco or required by the Code, and permitted by applicable law and regulation, the Acquisition will not be made available, directly or indirectly, in, into or from a Restricted Jurisdiction. Accordingly, copies of this Announcement and all documents relating to the Acquisition are not being, and must not be, directly or indirectly, mailed or otherwise forwarded, distributed or sent in, into or from a Restricted Jurisdiction, and persons receiving this Announcement and all documents relating to the Acquisition (including custodians, nominees and trustees) must not mail or otherwise distribute or send them in, into or from such Restricted Jurisdiction. If the Acquisition is implemented by way of a Takeover Offer (unless otherwise permitted by applicable law or regulation), the Takeover Offer may not be made, directly or indirectly, in or into, or by use of mails or any other means or instrumentality (including, without limitation, facsimile, e-mail or other electronic transmission, telex or telephone) of interstate or foreign commerce of, or any facility of a national, state or other securities exchange of any Restricted Jurisdiction and the Takeover Offer will not be capable of acceptance by any such use, means, instrumentality or facilities or from within any Restricted Jurisdiction.

This Announcement has been prepared in connection with proposals in relation to a scheme of arrangement pursuant to and for the purpose of complying with English law, Guernsey law and the Code and information disclosed may not be the same as that which would have been disclosed if this Announcement had been prepared in accordance with the laws of jurisdictions outside the United Kingdom or Guernsey. Nothing in this Announcement should be relied on for any other purpose.

The Acquisition shall be subject to the applicable requirements of the Code, the Panel, the London Stock Exchange, the Companies Law, the Financial Conduct Authority and the UK Listing Rules.

Additional information for investors in the United States

*The Acquisition relates to shares of a Guernsey company with a listing on the Main Market and is proposed to be effected by means of a court-sanctioned scheme of arrangement under the laws of Guernsey. A transaction effected by means of a court-sanctioned scheme of arrangement governed by the laws of Guernsey is not subject to the tender offer rules or the proxy solicitation rules under the US Exchange Act of 1934, as amended (the “**US Exchange Act**”).*

Accordingly, the Acquisition is subject to the disclosure and procedural requirements applicable to schemes of arrangements involving a target company incorporated in Guernsey and listed on the Main Market which differ from the requirements of United States tender offer and proxy solicitation rules.

However, if Drax Bidco were to elect to implement the Acquisition by means of a Takeover Offer and determines to extend such Takeover Offer into the United States, such Takeover Offer shall be made in compliance with all applicable United States laws and regulations, including, without limitation, to the extent applicable, Section 14(e) of the US Exchange Act and Regulation 14E thereunder. Such a Takeover Offer would be made in the United States by Drax Bidco and no one else.

In the event that the Acquisition is implemented by way of a Takeover Offer, in accordance with normal United Kingdom practice and pursuant to Rule 14e-5(b) of the US Exchange Act (if applicable), Drax Bidco, its affiliates, their advisers and their nominees or brokers (acting as agents), may from time to time make certain purchases of, or arrangements to purchase, shares or other securities of BSIF, other than pursuant to such Takeover Offer, during the period in which such Takeover Offer would remain open for acceptance. These purchases may occur either in the open market at prevailing prices or in private transactions at negotiated prices and would comply with applicable law, including the US Exchange Act. Any information about such purchases or arrangements to purchase shall be disclosed as required in the UK, shall be available to all investors (including US investors) via a Regulatory Information Service and shall also be available on the London Stock Exchange website at www.londonstockexchange.com.

The receipt of consideration by a US holder for the transfer of its BSIF Shares pursuant to the Scheme is likely to be a taxable transaction for United States federal income tax purposes and under applicable US state and local, as well as overseas and other, tax laws. Each BSIF Shareholder is urged to consult their independent professional advisers immediately regarding the tax consequences of the Acquisition applicable to them, including under applicable United States federal, state and local, as well as overseas and other, tax laws.

Financial information relating to BSIF included in this Announcement and the Scheme Document has been or shall have been prepared in accordance with accounting standards applicable in Guernsey and the United Kingdom and may not be comparable to financial information of United States companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the United States (“US GAAP”). US GAAP differs in certain significant respects from accounting standards applicable in Guernsey and the United Kingdom. None of the financial information in this Announcement has been audited in accordance with auditing standards generally accepted in the United States or the auditing standards of the Public Company Accounting Oversight Board (United States).

It may be difficult for US holders of BSIF Shares to enforce their rights and any claim arising out of the US federal securities laws in connection with the Acquisition, since Drax Bidco and BSIF are each organised in countries other than the United States, and some or all of their officers and directors may be residents of, and some or all of their assets may be located in, jurisdictions other than the United States. As a result, US holders of BSIF Shares may not be able to effect service of process upon a non-US company or its officers or directors or to enforce against them a judgment of a US court for violations of federal or state securities laws of the United States, including judgments based upon the civil liability provisions of the US federal securities laws. US holders of BSIF Shares may not be able to sue a non-US company or its officers or directors in a non-US court for violations of US securities laws. Further, it may be difficult to compel a non-US company and its affiliates to subject themselves to a US court’s jurisdiction or judgment.

Neither the US Securities and Exchange Commission nor any US state securities commission has approved or disapproved or passed judgment upon the fairness or the merits of the Acquisition or determined if this Announcement is adequate, accurate or complete. Any representation to the contrary is a criminal offence in the United States.

Forward-looking statements

This Announcement (including information incorporated by reference in this Announcement), oral statements made regarding the Acquisition, and other information published by Drax Bidco or BSIF may contain statements about Drax Bidco and BSIF that are or may be deemed to be forward-looking statements. All statements other than statements of historical facts included in this Announcement may be forward-looking statements. Without limitation, any statements preceded or followed by or that include the words “targets”, “plans”, “believes”, “expects”, “aims”, “intends”, “will”, “may”, “shall”, “should”, “anticipates”, “estimates”, “projects”, “is subject to”, “budget”, “scheduled”, “forecast” or words or terms of similar substance or the negative thereof, are forward-looking statements. Forward-looking statements include (without limitation) statements relating to the following: (i) assets, future capital expenditures, expenses, revenues, earnings, synergies, economic performance, indebtedness, financial condition, dividend policy, losses and future prospects; and (ii) business and management strategies and the expansion and growth of Drax Bidco’s or BSIF’s operations and potential synergies resulting from the Acquisition.

Such forward-looking statements are prospective in nature and are not based on historical facts, but rather on current expectations and projections of the management of Drax Bidco and BSIF about future events, and are therefore subject to risks and uncertainties that could significantly affect expected results and are based on certain key assumptions. Many factors could cause actual results to differ materially from those projected or implied in any forward-looking statements, including: increased competition, the outcome of business or industry restructuring, the outcome of any litigation, changes in economic conditions, currency fluctuations, changes in interest and tax rates, changes in laws, regulations or regulatory policies, developments in legal or public policy doctrines, or the timing and success of future offer opportunities or major investment projects. Other unknown or unpredictable factors could cause actual results to differ materially from those in the forward-looking statements. Such forward-looking statements should therefore be construed in light of such factors. Neither Drax Bidco nor BSIF, nor any of their respective associates or directors, officers or advisers, provides any representation, assurance or guarantee that the occurrence of the events expressed or implied in any forward-looking statements in this Announcement will actually occur. Disclosure requirements of the Code

Under Rule 8.3(a) of the Code, any person who is interested in 1 per cent. or more of any class of relevant securities of an offeree company or of any securities exchange offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the Offer Period and, if later, following the announcement in which any securities exchange offeror is first identified. An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s). An Opening Position Disclosure by a person to whom Rule 8.3(a) applies must be made by no later than 3.30 p.m. (London time) on the 10th business day following the commencement of the Offer Period and, if appropriate, by no later than 3.30 p.m. (London time) on the 10th business day following the announcement in which any securities exchange offeror is first identified. Relevant persons who deal in the relevant securities of the offeree company or of a securities exchange offeror prior to the deadline for making an Opening Position Disclosure must instead make a Dealing Disclosure.

Under Rule 8.3(b) of the Code, any person who is, or becomes, interested in 1 per cent. or more of any class of relevant securities of the offeree company or of any securities exchange offeror must make a Dealing Disclosure if the person deals in any relevant securities of the offeree company or of any securities exchange offeror. A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s), save to the extent that these details have previously been disclosed under Rule 8. A Dealing Disclosure by a person to whom Rule 8.3(b) applies must be made by no later than 3.30 p.m. (London time) on the business day following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they shall be deemed to be a single person for the purpose of Rule 8.3.

Opening Position Disclosures must also be made by the offeree company and by any offeror and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4).

Details of the offeree and offeror companies in respect of whose relevant securities Opening Position Disclosures and Dealing Disclosures must be made can be found in the Disclosure Table on the Panel's website at <http://www.thetakeoverpanel.org.uk>, including details of the number of relevant securities in issue, when the Offer Period commenced and when any offeror was first identified. You should contact the Panel's Market Surveillance Unit on +44 (0)20 7638 0129 if you are in any doubt as to whether you are required to make an Opening Position Disclosure or a Dealing Disclosure.

Part B: Certain further terms of the Acquisition

1. Subject to the requirements of the Panel and the Code, Drax Bidco reserves the right in its sole discretion to waive:
 - (a) the deadline set out in paragraph 1 of Part A of this Appendix I, and any of the deadlines set out in paragraph 2 of Part A of this Appendix I for the timing of the Court Meeting, the General Meeting and the Court Hearing. If any such deadline is not met, Drax Bidco shall make an announcement by 8.00 a.m. on the Business Day following such deadline confirming whether it has invoked or waived the relevant Condition or agreed with BSIF (or, as the case may be, the Panel) to extend the deadline in relation to the relevant Condition; and
 - (b) in whole or in part, all or any of the Conditions set out in Part A of this Appendix I, except for the Conditions set out in paragraph 2(a)(i), 2(b)(i) and 2(c)(i) of Part A of this Appendix I which cannot be waived.
2. Conditions set out in paragraphs 2(a), 2(b) and 3 of Part A of this Appendix I must each be satisfied or (if capable of waiver) be waived by Drax Bidco by the commencement of the Court Hearing. Drax Bidco shall be under no obligation to waive (if capable of waiver), to determine to be or remain satisfied or to treat as satisfied any of the Conditions set out in paragraph 3 of Part A of this Appendix I that it is entitled (with the consent of the Panel and subject to the requirements of the Code) to invoke, by a date earlier than the latest date specified above for the fulfilment or waiver thereof, notwithstanding that the other Conditions may at such earlier date have been waived or fulfilled and that there are at such earlier date no circumstances indicating that any such Conditions may not be capable of fulfilment.
3. Under Rule 13.5(a) of the Code, Drax Bidco may not invoke a Condition to the Acquisition so as to cause the Acquisition not to proceed, to lapse or to be withdrawn unless the circumstances which give rise to the right to invoke the Condition are of material significance to Drax Bidco in the context of the Acquisition. Drax Bidco may only invoke a condition that is subject to Rule 13.5(a) with the consent of the Panel and any condition that is subject to Rule 13.5(a) may be waived by Drax Bidco. Conditions set out in paragraphs 1 and 2 of Part A of this Appendix I and, if applicable, any acceptance condition if the Acquisition is implemented by means of a Takeover Offer, are not subject to Rule 13.5(a) of the Code.
4. If Drax Bidco is required by the Panel to make an offer for BSIF Shares under the provisions of Rule 9 of the Code, Drax Bidco may make such alterations to any of the Conditions and the terms of the Acquisition as are necessary to comply with the provisions of Rule 9 of the Code.
5. Drax Bidco reserves the right to elect to implement the Acquisition by way of a Takeover Offer as an alternative to the Scheme (with the Panel's consent). In such an event, the Acquisition will be implemented on the same terms and conditions as those which would apply to the Scheme, subject to appropriate amendments including (without limitation) the inclusion of an acceptance condition set at 90 per cent. of the BSIF Shares to which such Takeover Offer relates (or such lesser percentage as Drax Bidco may determine, subject to the rules of the Code and in consultation with the Panel, being in any case more than 50 per cent. of the BSIF Shares), or any amendments required by, or deemed appropriate by, Drax Bidco under applicable law or any amendments necessary to reflect the Takeover Offer. Further, if sufficient acceptances of such Takeover Offer are received and/or sufficient BSIF Shares are otherwise acquired, it is the

intention of Drax Bidco to apply the provisions of Part XVIII of the Companies Law to compulsorily acquire any outstanding BSIF Shares to which such Takeover Offer relates.

6. BSIF Shares which will be acquired pursuant to the Acquisition will be acquired fully paid and free from all liens, equities, charges, encumbrances, options, rights of pre-emption and any other third party rights and interests of any nature whatsoever and together with all rights now or hereafter attaching or accruing to them, including voting rights and the right to receive and retain in full all dividends and other distributions (if any) declared, made or paid or any other return of capital or value by reference to a record date after the Effective Date.
7. Other than in relation to the Permitted Dividend, if, on or after the date of this Announcement and on or prior to the Effective Date, any dividend, distribution or other return of value is announced, declared, made, or paid or becomes payable in respect of BSIF, Drax Bidco reserves the right (without prejudice to any right Drax Bidco may have, with the consent of the Panel, to invoke the Condition set out in paragraph 3(f)(iii) of Part A of this Appendix I) to reduce the Cash Consideration payable under the terms of the Acquisition by an amount up to the amount of any such dividend, other distribution or return of value, in which case any reference in this Announcement or in the Scheme Document to the Cash Consideration will be deemed to be a reference to the Cash Consideration so reduced. If (but only to the extent) Drax Bidco exercises this right or makes such a reduction in respect of a dividend, other distribution or return of value, BSIF Shareholders shall be entitled to receive and retain any such dividend, distribution, or other return of value declared, made, or paid. For the avoidance of doubt, any exercise by Drax Bidco of its rights referred to in this paragraph shall not be regarded as constituting any revision or variation of the Acquisition.
8. Except with the Panel's consent, settlement of the Cash Consideration to which any Scheme Shareholder is entitled under the Scheme will be implemented in full in accordance with the terms of the Scheme without regard to any lien, right of set-off, counterclaim or other analogous right to which Drax Bidco may otherwise be, or claim to be, entitled as against such Scheme Shareholder and will be effected in the manner described in this Announcement.
9. The Acquisition is not being made, directly or indirectly, in, into or from, or by use of the mails of, or by any means of instrumentality (including, but not limited to, facsimile, email or other electronic transmission, telex or telephone) of interstate or foreign commerce of, or of any facility of a national, state or other securities exchange of, any Restricted Jurisdiction where to do so would violate the laws of that jurisdiction.
10. The Scheme is governed by the laws of Guernsey and is subject to the jurisdiction of the Court, and to the Conditions and further terms set out in this Appendix I and to be set out in the Scheme Document. The Acquisition is subject to the applicable requirements of the Code, the UK Listing Rules, the Companies Law, the Panel, the London Stock Exchange, and the Financial Conduct Authority.
11. Each of the Conditions shall be regarded as a separate Condition and shall not be limited by reference to any other Condition.
12. The Acquisition is subject to, inter alia, the Conditions set out in Part A and the further terms of the Acquisition set out in Part B of this Appendix I to this Announcement. The Acquisition is also

subject to the full terms and conditions which will be set out in the Scheme Document and such further terms as may be required to comply with the provisions of the Code.

APPENDIX III IRREVOCABLE UNDERTAKINGS

The following BSIF Directors have given irrevocable undertakings to vote (or, where applicable, procure the voting) in favour of the Scheme at the Court Meeting and the resolutions to be proposed at the General Meeting and, if Drax Bidco exercises its right to implement the Acquisition by way of a Takeover Offer, to accept (or, where applicable, procure) acceptance of such Takeover Offer in respect of their personal beneficial holdings of BSIF Shares (or those of their immediate family):

BSIF Directors' Irrevocable Undertakings

Name of BSIF Director	Number of BSIF Shares in respect of which undertaking is given	Percentage of BSIF issued share capital as at 29 May 2026
Michael Gibbons	37,800	0.01%
Glen Suarez	14,000	0.00%
Meriel Lenfestey	20,000	0.00%
Elizabeth Burne	15,000	0.00%
Christopher Waldron	90,000	0.02%
TOTAL	176,800	0.03%

The obligations of the BSIF Directors under the irrevocable undertakings shall remain binding in the event that a higher competing offer is made for BSIF and shall lapse and cease to have effect on and from the following occurrences:

- immediately if Drax Bidco announces, with the consent of the Panel, that it does not intend to proceed with the Acquisition;
- immediately if the Scheme does not become Effective or the Takeover Offer does not become unconditional before 11.59 p.m. on the Long Stop Date; or
- on and from the time and date on which the Acquisition lapses (or, in the case of a Takeover Offer, is withdrawn), save that switching from a Scheme to a Takeover Offer, or vice versa, shall not be deemed to constitute the lapsing or withdrawal of the Acquisition, provided that the lapsing of the irrevocable undertaking will not affect any accrued rights or liabilities in respect of non-performance of any obligation under the irrevocable undertaking falling due for performance before such lapse.

APPENDIX IV RISK FACTORS

As the Acquisition constitutes a "significant transaction" for Drax for the purposes of the UK Listing Rules, Drax is required to describe any risks associated with the Acquisition which are summarised below.

The Acquisition is subject to the Conditions which may not be satisfied or waived

Completion of the Acquisition is subject to the Conditions being satisfied (or, if permitted, waived). A summary of the principal Conditions to which the Acquisition is subject is set out at paragraph 14 above of this Announcement and the Conditions are set out in full in Appendix I to this Announcement. The Conditions must be satisfied, or where permitted, waived, by the Long Stop Date (subject to the Code). However, the Acquisition is currently expected to become Effective during Q3 2026.

There is no guarantee that the Conditions will be satisfied in the necessary time frame (or waived, if applicable). The applicable regulatory authorities have discretion in imposing conditions in granting their consent, which could result in a delay in completion of, or a decision not to complete, the Acquisition. Failure to satisfy (or, where permitted, waive) these Conditions may result in the Acquisition not being completed.

Delay in completing the Acquisition will prolong the period of uncertainty for the Wider Drax Group and the Wider BSIF Group and both delay and failure to complete the Acquisition may result in the accrual of additional costs to their respective businesses without any of the potential benefits of the Acquisition having been achieved.

Drax Bidco's ability to invoke a Condition (other than the Conditions set out in paragraphs 2(a)(i), 2(b)(i) and 2(c)(i) of Part A of Appendix I to this Announcement) to either lapse its offer or to delay completion of the Acquisition is subject to the Panel's consent. In granting its consent, the Panel would need to be satisfied that the underlying circumstances are of "material significance" to Drax Bidco in the context of the Acquisition and this is a high threshold to fulfil. Consequently, there is a significant risk that Drax Bidco may be required to complete the Acquisition even where certain Conditions have not been satisfied or where a material adverse change has occurred to the Wider BSIF Group. If any of the events described above were to occur, they may result in additional costs and/or the delay or the failure (partial or otherwise) to realise the financial benefits relating to the Acquisition identified by the parties or may otherwise impact Drax Bidco's strategy and operations.

The Combined Group's success will be dependent upon its ability to integrate the BSIF Group, manage existing contractual arrangements with Bluefield and deliver the expected benefits of the Acquisition; such benefits may not be fully achieved.

The Combined Group's future prospects will, in part, be dependent upon the Combined Group's ability to integrate the BSIF Group successfully, without disruption to the existing business.

The integration process following the Effective Date may be more complex than anticipated. Successful integration will require a significant amount of management time and may affect the ability of the management team of the Combined Group to run the business effectively during the period of integration and to execute the Wider BSIF Group's existing strategic priorities. If the integration process proves more difficult than is being anticipated, there is a risk to the operational performance of the Combined Group.

The Combined Group may face various challenges when integrating the BSIF Group into the Wider Drax Group, including, among others, standardising policies and procedures, processes and systems and integrating legal entities.

In addition, the BSIF Group is party to a number of existing contractual agreements with Bluefield pursuant to which a range of services including asset management, operations and maintenance, construction management and project development are provided by Bluefield, BSIF's manager. These agreements may only be terminated in limited circumstances (or at the end of the existing term of the relevant agreement). As a result, the Combined Group may have limited ability to renegotiate the scope or pricing of services under the agreements following the Effective Date. Any changes to the scope of services or associated fees would need to be separately agreed with Bluefield.

If the Combined Group does not acquire Bluefield or is otherwise required to replace some or all of the services currently provided, the Combined Group may need to transition such services in-house or to alternative providers. This could result in operational disruption, increased costs, and execution risk, particularly if such transition is undertaken without the full cooperation of the existing service provider. In addition, any misalignment of incentives or deterioration in the relationship with Bluefield following the Effective Date could adversely affect the level or quality of services provided.

The continued operation of the arrangements, including any limitations on the Combined Group's ability to amend or terminate such arrangements or to align them with the Combined Group's policies, systems and strategic objectives, may make it more difficult to fully integrate the BSIF Group and realise anticipated synergies. If the Combined Group does not properly manage these challenges, they may impair the ability of the Combined Group to properly execute the integration of the BSIF Group.

Whilst the Drax Directors believe that the Acquisition will achieve material benefits, unanticipated events, liabilities, tax impacts or unknown pre-existing issues may arise or become apparent (whether as a result of a decision or action taken by a regulator with jurisdiction over the Combined Group's business or otherwise) which could result in the costs of integration being higher and the realisable benefits being lower than expected, resulting in a material adverse effect on the business, results of operations, financial condition and/or prospects of the Combined Group and the market price of Drax Shares. No assurance can be given that the integration process will deliver all or substantially all of the expected benefits within the assumed time frame.

The prospect of completion of the Acquisition could disrupt the businesses of the Wider Drax Group and/or the Wider BSIF Group, which could have material adverse effects on the business, financial condition, results of operations and prospects of the Wider Drax Group, the Wider BSIF Group or the Combined Group and the market price of Drax Shares.

The prospect of completion of the Acquisition could disrupt the businesses of the Wider Drax Group and the Wider BSIF Group. For example, current and prospective partners may, in response to the announcement of the Acquisition, terminate, change or defer their custom, which could materially and adversely affect the revenues and profits of the Wider Drax Group or the Wider BSIF Group and/or any anticipated growth in revenues. Furthermore, market reaction to and/or speculation regarding the likelihood of completion of the Acquisition could increase the volatility of the price of Drax shares.

If the Wider Drax Group and/or the Wider BSIF Group fail to manage these risks effectively, the business and financial results of the Wider Drax Group, the Wider BSIF Group and/or the Combined Group could be adversely affected. In addition, the Wider Drax Group may incur higher than expected transaction and integration related costs.

Changes to government support arrangements for low-carbon generation may affect the Combined Group's revenues

Certain of the Wider BSIF Group's assets benefit from, or may in the future depend on, government support mechanisms for low-carbon electricity generation, including the Renewables Obligation ("RO") regime and CfDs or similar arrangements. Government policy in this area is subject to change. Any modification, replacement or withdrawal of existing support schemes, including any potential transition of assets from the RO regime to CfDs or alternative mechanisms, could affect the level, duration and structure of support available to the Wider BSIF Group's assets and may result in changes to the timing and profile of revenues derived from those assets.

While alternative support arrangements may provide different revenue characteristics, including changes to revenue visibility or exposure to market conditions, the terms of any such arrangements are uncertain and may not be as favourable as those currently in place which may adversely affect the Wider BSIF Group's future revenues, including any anticipated growth arising from the Acquisition.
